B. Faculty-Student Ratio with emphasis on permanent faculty (FSR): 30 marks

- \( FSR = 30 \times [15 \times (F/N)] \)
- \( N = N_r + N_p \)
- \( F \): Full time regular faculty in the institution in the previous year.
- Regular appointment means Faculty on Full time basis. *Faculty on contract basis/ad-hoc basis will be considered if the concerned faculty has taught in both the semesters of academic year 2017-18.*
- Faculty members with Ph.D. and Masters degree will be considered and counted here. Faculty member with a Bachelor’s degree will not be counted.
- Expected ratio is 1:15 to score maximum marks.
- For \( F/N < 1: 50 \), FSR will be set to zero.

- *Primary Data: Faculty List to be provided in the Prescribed Format.*
