

1.d Metric for Sports and Extra-Curricular Facilities, Activities (SEC) – 10 Marks

Equal weights will be given to sports facilities, sports budget and top performances, and extra-curricular activities.

Extra-Curricular (EC) activities may typically include, but not be limited to Clubs/Forums, NCC, NSS etc.

Parameters to be used:

- Sports facilities area per student (A);
- Actual expenditure per student on Sports and EC activities (B); and
- Number of top positions in inter- college sports and EC events (C).

Each parameter to be evaluated on a percentile basis to obtain the parameters $p(A)$, $p(B)$ and $p(C)$. Weights assigned to the 3 components are 0.5, 0.25 and 0.25 respectively.

$p(C) = 1$, if a college has at least 3 winners of a State or National level event.

Assessment Metric for Sports and Extracurricular Activities :

$$\text{SEC} = 10 \times [p(A)/2 + p(B)/4 + p(C)/4]$$

Data Collection:

To be obtained from the institutions.

Data Verification:

By Ranking Agency on a random sample basis.
