

National Institutional Ranking Framework

Ministry of Human Resource Development

Govt. of India

The National Institutional Ranking Framework (NIRF) was launched in 2016 to rank higher educational institutions in the country based on objective criteria to promote competitive excellence in the higher educational institutions. More than 3500 institutions participated in this exercise in the first year, resulting in declaration of India Rankings 2016 on 4th April 2016.

NIRF has announced **India Rankings 2017**, the second edition of this annual exercise. Last date for registration has been extended to **10th October 2016**. All the centrally funded technical institutions/ central universities & institutions/colleges coming under the purview of AICTE and UGC are advised to register for the India Rankings 2017. The registration window is available at www.nirfindia.org
