Notice

National Institutional Ranking Framework (NIRF) is the first-ever comprehensive survey for formal ranking of academic institutions in the country being conducted by the NIRF on behalf of MHRD.

As a part of the ranking exercise, it is important to solicit an understanding of the public perception of various institutions. All the interested stakeholders are invited to provide their perception **latest by 15 March, 2016** on www.nirfindia.org and clicking on the "Perception" tab.

The input provided by the stakeholders would be very valuable. All personal information will be treated as confidential, and the responses will be published only in an aggregated form. The data will also be used for further research related to NIRF.
